Mindy,

Getting back to you on the question about pushing back on the edits.

Greg P. wanted edits made to the papers to include specific points and RMS edited the papers to try to weave those points in.

RMS asked that we review Greg's e-mail and edit the papers trying to include Greg's bullets below.

From Greg:

*Thanks for the chance to review the two hearing fact sheets.*

Mindy,  
The OW IO sent us edits to the 404 assumption and program implementation papers. They didn't send edits in track changes so I did a document compare. Attached is their clean version and the compare versions end in "RMS". Please let me know if you're okay with their edits.

Thank you,  
Kristie

Hey Kristie,

Had some edits from folks in the IO. Can you give these versions a look and let me know if you concur with the edits.

P.s. Now that Kerry is gone I am back on the OWOW beat.

Best,
